(You've Been Whispering Again)  
Why does it have to have a name?  
Why does it have to have a name?  
It's you and I, you and I  
Love walks a long and lonely road  
Sticks to the breeze and what it knows  
It's you and I, you and I  
Friend, you've been whispering again  
Friend, you've been whispering again  
Wildflowers grow and call your name  
Under the moon it stays the same  
It's you and I, you and I  
Jump through the fields and kiss the sky  
Asking the Gods Forgiveness - why?  
It's you and I, you and I  
Friend, you've been whispering again  
Friend, you've been whispering again
