I'm in love with
A dolly named Glendora
She works in the window
Of a big department store-a

Eyes of blue, hair like gold
Never been young
But she'll never get old

Oh, Glendora
I wanna see more of you

Oh, Glendora
Oh, Glendora
Oh, Glendora
I wanna see more of you

She's so shy that I
Don't know how I found her
With three big bodyguards
Always working around her

One just nods
And two just grins
And three got a
Mouthful of safety pins

Oh, Glendora
I wanna see more of you

Oh, Glendora
Oh, Glendora
Oh, Glendora
I wanna see more of you

I stand left and I stand right
Outta of my head
Cause I'm out of sight

Oh, Glendora
I wanna see more of you

Late last night at the store
They did some changing
And I stood watching
When they started rearranging

She lost her wig
She lost her arms
And when they got through
She lost all of her charms

Oh, Glendora
What did they do to you
(What they do, what they do
What they do)

Oh, Glendora
Oh, Glendora
Oh, Glendora
What did they do to you
(What they do, what they do
What they do)

Oh, Glendora
Oh, Glendora
Oh, Glendora
What did they do to you

Do to you, do to you
Oh, what did they do to you

Oh, Glendora
What did they do to you
