(to lead a better life,I need my love to be here . . .
)Here . . . making each day of the year,Changing my
life with a wave of her hand,Nobody can deny that
there?s something there . . .There . . . running my
hands through her hair,Both of us thinking how good it
can be,Someone is speaking but she doesn?t know he?
s there . . .I want her everywhereAnd if she?s beside
me I know I need never careBut to love her is to meet
her everywhereKnowing that love is to shareEach one
believing that love never diesWatching her eyesAnd
hoping I?m always there . . .< instrumental break > . . .
each one believing that love never diesWatching her
eyesAnd hoping I?m always there to be there,
and everywhere,Here, there and everywhere!
