Heres to my lady, heres a toast to my lady,
And all that my lady means to me!
Like a hearth in the winter, a breeze in the summer,
A spring to remember is she!

Though the years may grow colder as people grow
older,
Its shoulder to shoulder well be!
But be it sunshine or shady, heres my love to my lady,
I pray may she always love me!
< instrumental break >
Though the years may grow colder as people grow
older,
Its shoulder to shoulder well be!
But be it sunshine or shady, heres my love to my lady,
I pray may she always love me!
