"I Love You"

I love you, Hums an april breeze, I love you, Echo the hills!
I love you, The golden dawn agrees, As once more she sees,
Daffodils! It's spring again, And birds on the wing again,
Start to sing again, The old melodies! I love you,
That's the song of songs, And it all belongs, To you and me
I love you . . . Hums an april breeze, I love you . . .
Echo the hills! I love you . . . The golden dawn agrees, As
once more she sees, Daffodils! It's spring again, And
birds on the wing again, Start to sing again, The old
melodies! (mellow, melodies . . .) I love you, That's the
song of songs, And it all belongs, To you and me. And it
all belongs, To you and me!
