If I had a hammer I would hammer in the morning I'd  
hammer in the evening All over this land I'd hammer  
out the danger Hammer out a warning I'd hammer ?  
bout the love between My brothers and my sisters All, all  
over this land . . . All over this land If I had a bell I would  
ring it in the morning I'd ring it in the evening All over  
this land I'd ring out the danger Ring out a warning I'd  
ring ?bout the love between My brothers and my  
sisters All, all over this land . . . All over this land <  
instrumental break > If I had a song I would sing it in the  
morning I'd sing it in the evening All over this land I'd  
sing out the danger Sing out a warning I'd sing about  
my brothers and my sisters All, all over this land . . . All  
over this land Well, I got a hammer, and I got my  
bell And I got a song to sing all over this land ! It's the  
hammer of justice ! It's the bell of freedom ! It's a song  
to sing About my brothers and my sisters All, all over  
this land ! . . . all over this land, all over this land, . . . all  
over this land !
