In our hide-away, Far from all the fuss that bothers us
We'll hide-away, we two!
In our hide-away (in our hide-away . . .)
We'll be all alone, no telephone to worry me or you!
We will have a ball, Busy doin? nothing at all!
In our hide-away (in our hide-away . . .)
We will lock the door an? throw away the key
What a holiday, our hide-away will be!
In our hide-away, Far from all the fuss that bothers us
We'll hide-away, we two!
In our hide-away, we'll be all alone,
No telephone to worry me or you!
We will have a ball, Busy doin? nothing at all!
In our hide-away (in our hide-away . . .)
We will lock the door an? throw away the key
What a holiday, our hide-away will be!
What a holiday, Our hide-away will be!
