Oh! it's a good day, for singin' a song, An' it's a good day for movin' along, Yes, it's a good day, how could anything go wrong? A good day from mornin' 'till night! Yes it's a good day, ( it's a lovely day for shinin' ) for shinin' your shoes An' it's a good day ( if you wan' a silver linin' ) for losin' the blues ( you got . . . ) everything t' gain ( everythin' t' gain and nuthin' ) and nuthin' t' lose, 'cuz it's a good day from mornin' to night! ( you're right! ) I said to the sun, good mornin' sun! Rise an' shine t'day! You kno' you gotta get goin' if you're gonna make a showin' And you kno' you got the right of way! 'cause it's a good day for payin' your bills, And it's a good day for curin' your ills, So, take a deep breath, throw away all your pills, 'cause it's a good day from mornin' 'till night! Just this very day, I said to the sun, good mornin' sun! Rise an' shine, why don't you rise and shine? You kno' you gotta get goin' if you wanna make a showin' And you kno' you've got the right of way! 'cause it's a good day for payin' your bills, And it's a ' goood ' day for curin' your ills, So, take a deep breath ( ahhh! ) throw away all your pills, 'cause it's a good day from mornin' 'till night! ( say that again! ) Oh it's a good day from mornin' 'till night ( that's what he said! ) Yes it's a good day from mornin' 'till night!
