Your sweet expression, the smile you gave me, The way  
you looked when we met, It's easy to remember, but so  
hard to forget! I hear you whisper, I'll always love you, I  
know it's over, and yet, It's easy to remember, but so  
hard to forget! So I must dream to have your hand  
caress me, Fingers press me tight, I'd rather dream  
than have that lonely feelin' Stealing through the  
night! Each little moment is clear before me, And  
though it brings me regret, It's easy to remember, and  
so hard to forget! < instrumental break > ( hmmm  
) It's easy to remember, and so hard to forget!
