Its impossible . . .
Tell the sun to leave the sky,
Its just impossible . . .

Its impossible . . .
Ask a baby not to cry,
Its just impossible . . .

Can I hold you closer to me.
And not feel you goin through me,
Split the second,
That I never think of you,
Oh! how impossible . . .

Can the ocean keep from rushin to the shore?
Its just impossible!
If I had you, could I ever want for more?
Its just impossible!

And tomorrow , should you ask me for the world,
Somehow I'd get it . . .
I would sell my very soul,
And not regret it . . .
For to live without your love,
Its just impossible!

< repeat last two verses >

Impossible! (hmm)
Impossible!
