Let . . . me . . . call you baby tonight (un ha! un ha!)Let .
. . me . . . hold you ?till the mornin? light (un ha! un ha!
)Let . . . me . . . call you baby tonight,Oh I need you so
much an? now that I have found youI wanna feel my
arms around youLet . . . me . . . call you baby
tonight!Here I sit at a table all alone,Watchin? you the
way I have, so many times before,An? tonight, just like
me, you?re lonely tooAn? the sadness that you?re
showin?Makes me want you even more!So, won?t you .
. .Let . . . me . . . call you baby tonight (un ha! un ha!
)Let . . . me . . . hold you ?till the mornin? light (un ha!
un ha!)Let . . . me . . . call you baby tonight,Oh I need
you so much an? now that I have found youI wanna feel
my arms around youLet . . . me . . . call you baby
tonight!Let . . . me . . . call you baby tonight (un ha! un
