(traveling down a lonely road)Why am I alone? Why
am I alone,Traveling down a lonely road? Darling, can?
t you see? I don?t wanna be,Traveling down a lonely
road.If you would open up your heartAnd let my love
come shining through,You?d know how muchI wanna
walk the road with you . . .Won?t you understand? Won?
t you take my hand? It?s been such a lonely road . . .<
chorus italian lyrics >If you would open up your
heartAnd let my love come shining through,You?d
know how muchI wanna walk the road with you . . .Won?
t you understand? Won?t you take my hand? It?s been
such a lonely road . . .Such a lonely road . . .
