In my loneliness . . .
When you're gone and i'm all by myself,
An' i need your caress,
I just think of you, and the thought of you holding me
near
Makes my loneliness soon disappear . . .

Though you're far away,
I have only to close my eyes and you are back to stay,
I just close my eyes and the sadness missing you
brings,
Soon is gong and this heart of mine sings
Yes, i love you so, and that for me is all i need to know .
..

I will wait for you,
'till the sun falls out of the sky, for what else can i do?
I will wait for you,
Meditating how sweet life will be when you come back
to me . . .

< instrumental break >

I will wait for you, meditating how sweet life will be
when you come back to me . . .
Became these quiet nights of loving you!

(i will wait for you . . .) come back to me . . .
