Mi casa, su casa
My house is your house
Welcome to my hacienda

Mi casa, su casa
My home is your home
I'll give you love
Warm and tender

My house is nothing more
Than windows and a door
And a roof that will
Keep out the rain

The day you say you're mine
My humble house will shine
Just like a castle in Spain

Mi casa, su casa
My house is your house
Let's plan the future together

Tell me, oh, tell me
That your heart is my heart
And I will love you forever

The day you say you're mine
My humble house will shine
Just like a castle in Spain

Mi casa, su casa
My house is your house
Let's plan the future together

Tell me, oh, tell me
That your heart is my heart
And I will love you forever
