"My Coloring Book"

If you admire coloring books, And lots of people do, I've
a new one for you! A most unusual coloring book, The
kind you never see, Crayons ready, crayons set, Begin
to color me! These are the eyes that watched her, As
she walked away, Color them gray! This is the
heart, That thought she would always be true, Color it
blue! These are the arms that held her, And touched
her, Then lost her somehow, Color them empty now! This
is the tie, I wore, Until you came between, Color it
green! This is the room I sleep in, and walk in, and
weep in, And hide in, that nobody sees, Color it lonely
please! This is the girl that once I depended upon, Color
her gone!
