When there's trouble on my mind I'm feelin' low I long  
to find some peaceful place to go Who gives me  
sympathy? Who's always good to me? Nobody but  
you! When this world has got me down I need a friend  
It seems my trials and cares will never end  
Who's got the kind of love that I need plenty of?  
Nobody but you! You are the one, who won't forsake me  
Though my dreams may fade and fall apart  
Nobody but you, brings consolation  
To warm my heart! All you have to do is smile  
The sun will shine! Somehow I know that things will  
turn out fine Who can I guarantee, will always stand by  
me, Nobody but you! ( all you have to do is smile . . .  
) The sun will shine! Somehow I know that things will turn  
out fine Who can I guarantee, will always stand by  
me, Nobody but you!
