(CHORUS)

Oowee, oowee, oowee, oowee
That's how my heart sings
Each time that you kiss me
I'm in orbit without wings

Oowee, oowee, oowee, oowee
That's how my love sings
It sounds like the magic of
The church bell when it rings

Every second, every minute
There's a new excitement in it
Every time I hear you sighing
I take off and I'm flying

You're my baby and I show it
I want all my friends to know it
So, when everyone comes knocking
Our love song will be rocking

(CHORUS)

Oowee, oowee, oowee, oowee
That's how my love swings
It sounds like the magic of
The church bell when it rings

Darling, there's no use pretending
Love like ours is never ending
If I'm flying high above you
It means how much I love you

Touch me and I get that feeling
Hug me and I'm on the ceiling
When I'm up there and I'm sailing
Here's what you'll hear me playing

(CHORUS)

Oowee, oowee, oowee, oowee

That's how my love swings
It sounds like the magic of
The church bell when it rings

(CHORUS)
