Life is never what it seems, We're always searching in
our dreams, To find those little castles in the air! When
worry starts to cloud the mind, It's hard to leave it all
behind, An? just pretend you haven't got a care! There?
s someone else in your imagination, You wished that
you were standin? in their shoes You'd change your life
without much hesitation But would you if you really had
to choose? So, don?t look around, Get your feet on the
ground, It?s much better by far To be just who you
are! The other man?s grass is always greener, The sun
shines brighter on the other side! The other man?s
grass is always greener, Some are lucky, some are
not, Just be thankful for what you?ve got! < instrumental
break > Many times it seems to me, There?s someone
else I?d rather be, Living in a world of make-believe! To
stay in bed ?till nearly three With nothing there to worry
me Would seem to be the life I might achieve! But, deep
inside I know I?m really lucky, Happiness I?ve never
known before, Just as long as you are there beside me I
know that I could ask for nothin? more! And living can
start, With the love in your heart! So, with you all the
time, All the chances I?ve longed for are mine! The
other man?s grass is always greener, The sun shines
brighter on the other side! The other man?s grass is
always greener, Some are lucky, some are not, I?m so
thankful for what I?ve got! < repeat chorus two more
times to fade >
