Sul mare luccica lastro d'argento
Placida londa
Prospero il vento

Sul mare luccica lastro d'argento
Placida londa
Prospero il vento

Venite allargine
Barchette mie
Santa lucia, santa lucia

Venite allargine
Barchette mie
Santa lucia, santa lucia

Soft winds caress the sea,
Breezes so tender,
Make every dancing wave,
Gladly surrender!

Days here are heavenly,
Nights are pure ecstasy,
Santa lucia, santa lucia!

Venite allargine
Barchette mie
Santa lucia, santa lucia
