It's the second time I know I've seen you here before?  
Is no coincidence I'm sure That once again my spirits  
soar And the second time is always harder than the  
first Forgetting lines that I rehearsed, I fear the best, I  
fear the worst Love is great, it has ambition Unafraid  
makes no condition When I say how much I love  
you You? It feels I've known you A thousand years . . . <  
instrumental break > And the second time is always  
harder than the first Forgetting lines that I rehearsed, I  
fear the best, I fear the worst Love is great, it has  
ambition Unafraid makes no condition When I say how  
much I love you You? It feels I've known you A thousand  
years . . . . . a thousand years . . .
