Sing along with me, Sing a happy song! I would
guarantee. That you can't go wrong! You will be
surprised, At the way you'll feel, All your cares and
woes will be a hazy memory! If you'll just agree, Sing
along with me! Don't be too quick, To say you can't sing
a lick, There's a trick to it all! Make believe that you're
taking a shower, And sing it out loud, Sing to the
crowd, You'll be feeling ten feet tall! Sing along with me
(sing along with me) Sing a happy tune (sing a happy
tune) Let the butterfly (let the butterfly) Out of your
cocoon! (out of your cocoon) You can finally be (you
can finally be) Who you wanta be (who you wanta be
) What you got to lose? Forget your blues, Now you're
breaking free (now you're breaking free) Here's the
recipe! (here's the recipe) Just sing along with me! (la
la, la la la . . .)
