"Smile"

Smile, though your heart is aching, smile, even though
it's breaking! When there are clouds in the sky, you'll
get by! If you smile through your fear and sorrow, smile
and maybe tomorrow, you'll see the sun come shining
through for you! Light up your face with gladness, hide
every trace of sadness, Although a tear may be ever so
near, That's the time you must keep on tryin', smile,
what's the use of cryin'? You'll find that life is still
worthwhile, if you'll just smile! < instrumental break
> That's the time you must keep on tryin', Smile, what's
the use of cryin'? You'll find that life is still
worthwhile, If you'll just smile!
