Someday I'll find you, moonlight behind you
True to the dream I am dreaming!
As I draw near you, you'll smile
a little smile,
For a little while, we shall stand, hand in
hand!
I'll leave you never, love you forever,
All our past sorrow redeeming,
Make it all come true, make me love
you too,
Someday I'll find you again!
Someday I'll find you, moonlight behind you
True to the dream I am dreaming!
As I draw near you, you'll smile a little
smile,
For a little while, we shall stand, hand in hand!
I'll leave you never, love you forever,
All our past sorrow redeeming,
Make it all come true, make me love you
too,
Someday I'll find you again!
