Still life is ours now
Still life alone
Did you know that this could
Take a life time

What is his name?
Doesn't have to have a happy ending
What is his name?
Doesn't have to have a happy ending
What is his name?
Does it have to have a happy ending
No, no, no, no

I tried not to send the letter
Tried to remain calm
He doesn't love you like I loved you
He doesn't love you like you loved me
What is his name?
Doesn't have to have a happy ending
What is his name?
Doesn't have to have a happy ending
What is his name?
Does it have to have a happy ending
No

What is his name?
Baby I'm a happy shadow
What is his name?
Doesn't have to have a happy ending
No, no, no, no
