(all over the world)

There's a kind of a hush, all over the world, tonight,
All over the world you can hear the sound of lovers in
love!

You know what I mean?
Just the two of us, with nobody else in sight,
And Im feelin good just holdin you tight!

So, listen very carefully, closer now and you will see
What I mean (see what I mean?) it isn't a dream (I
mean, it isn't a dream!)
The only sound that you will hear is when I whisper in
your ear
I love you! (I love you!) forever and ever!

There's a kind of a hush, all over the world, tonight,
All over the world you can hear the sound of lovers in
love!

There's a kind of a hush (kind of a hush!)
All over the world! (all over the world, tonight!)
All over the world (you can hear the sound of lovers in
love!)

You know what I mean?
Just the two of us (two of us!) and nobody else in
sight,
There's nobody else and Im feelin good,
Just holdin you tight (ever so tightly!)

So, listen very carefully, closer now and you will see
What I mean (see what I mean?) it isn't a dream (I
mean, it isn't a dream!)
The only sound that you will hear is when I whisper in
your ear
I love you! forever and ever!

There's a kind of a hush (kind of a hush!)
All over the world (a hush, all over the world, tonight!)
All over the world you can hear the sound

Of lovers in love! (I love you!)
You know what I mean? (I love you!)
It isn't a dream! (I love you!)
You know what I mean? (la, la la la!)
I love you!
