This is a great country, a great country  
So let's shout it clear and loud!  
Take a look in your history book  
And you'll see why we should be proud!  
Hats off to america, the home of the free and the brave  
If this is flag waving, flag waving  
Do you know of a better flag to wave?  
This is a great country, a great country  
So let's shout it clear and loud!  
Take a look in your history book  
And you'll see why we should be proud!  
Hats off to america, the home of the free and the brave  
If this is flag waving, flag waving  
Do you know of a better flag to wave?

Hats off to america, the home of the free and the brave  
If this is flag waving, flag waving  
Do you know of a better flag to wave?
