( Is To Love You ) To know you, is to love you,  
And I love you . . . 'cause I know you . . .  
Are such a sweetheart . . .  
that when you walk down the street,  
Everyone's heart, just naturally skips a beat!

The others, who have met you,  
Better start in . . . to forget you . . .  
Because, to know you is to love you so,  
It's time for everyone you know,  
To know you . . . love me!

Were you the sun, it would be twice as sunny,  
Were you a bee, there would be sweeter honey,  
Were you a tune everyone would be croonin'  
Harmonizin' out in the street!  
You're such a bundle of me oh my,  
And that's the reason when you go by,  
Each heart naturally skips a beat!

Dear . . .

The others . . .  
( Were you the spring, you would be twice as springy! )  
Who have met you . . .  
( Were you a vine, you would be twice as clingy! )  
Better start in . . .  
( Were you the moon, everyone would be spoonin'! )  
To forget you . . .  
( Every night would be mighty sweet! )  
Because, to know you is to love you so,  
It's time for everyone you know,  
To know you . . . love me!

Because, to know you is to love you so,  
It's time for everyone you know,  
To know you . . . everyone should know you . . .  
Know . . . yes, know . . . you love me!
