When you're smilin
When you're smilin
The whole world smiles with you.
When you're laughin
When you're laughin
The sun comes shinin through.
But, when you're cryin,
You bring on the rain,
So, stop you're sighin,
Be happy again!
Keep on smilin
Cause when you're smilin
The whole world smiles with you.

When you're smilin
When you are smilin
The whole world smiles with you.
An when you're laughin
An really laughin
The sun comes shinin through.

But, when you're cryin,
You bring on the rain,
So, stop you're sighin,
And be happy again!
Oh! keep on smilin (keep right on smilin)
Cause when you're smilin (cause when you're smilin)
The whole world smiles with you.

Keep on smilin
Cause when you're smilin
The whole world smiles with you!
