Where does a little tear come from? Where does a little  
... tear ... come from? It comes from a heart that's  
been broken apart, That's where a little tear comes  
from! Where does a broken heart come from? Where  
does a broken ... heart ... come from? It comes when  
you find that you love the rovin' kind, That's where a  
broken heart comes from! Where does the rovin' kind  
come from? Where does rovin' ... kind ... come from?  
From the wind and restless river that wanders on  
forever That's where the rovin' comes from! Where  
does the restless river come from? Where does  
restless ... river ... come from? It comes from little  
tears that are shed through the years That's where the  
restless river comes from . . . . . that's where the  
restless river comes from . . .
