It seems we stood an? talked like this before  
We looked at each other in the same way then  
But I can?t remember where or when  
The clothes you?re wearing  
Are the clothes you wore  
The smile you were smiling  
You were smiling then  
But I can?t remember where or when  
Some things that happened for the first time  
They seem to be happening again  
And so it seems that we have met before  
Laughed before and loved before  
But who knows where or when? < instrumental break >  
Some things that happened for the first time  
Seem to be happening again  
And so it seems that we have met before  
Laughed before and loved before  
But who knows where or when? . . . who knows where or when?
