"You Alone"

You alone, you alone,
Are the dream i have known,
Bringing love to my lonely heart!

Now there's heaven in view,
Now the dream has come true,
For tonight i have you alone!

Now that your eyes have told me,
You are my love my own,
Come to my arms and hold me,
I live for you alone!
Solo tu, solo tu . . .

[italian]

You alone, you alone,
Are the dream i have known,
Bringing love to my lonely heart!

Now there's heaven in view,
Now the dream has come true,
For tonight i have you alone!
