You came a long way from st. louis,  
You climbed the ladder of success . . .  
I've seen the flashy foreign cars  
That were parked out in front of  
Your fancy address!

You came a long way from st. louis,  
You broke a lot of hearts between . . .  
I've met a gang of gloomy guys  
Who were doin' all right  
'till you came on the scene!

You blew in from the middle-west  
And certainly impressed  
The population here-about . . .  
Well baby, i got news for you,  
I'm from missouri too,  
So, naturally, i got my doubts!

You got 'em droppin' by the way-side,  
A feelin' i ain't gonna know . . .  
You came a long way from st. louis,  
But baby, you still got a long way to go!

< instrumental break >

My, how you come up!  
Hmmm, you really come on!

< instrumental break >

Hey, i'll have your address!  
St. louis woman,  
You're a st. louis doll!

< instrumental break >

You blew in from the middle-west  
And certainly impressed  
The population here-about . . .  
Well baby, i've got news for you,

I'm from missouri too,  
So, naturally, i got my doubts!

You got 'em droppin' by the way-side,  
A feelin' i ain't gonna know . . .  
You came a long way from st. louis,  
But baby, you still got a long way to go!

You left st. louis far behind,  
Keep this little thought in mind,  
You still . . . got a long way to go!
