Open up your heart to me,
I am blind, can't you see?
I'm lost in all this world,
All this world of misery...

Open up your heart to me,
I am blind, can't you see?
I'm lost in all this world,
All this world of misery...

Open up your heart to me,
Your heart to me,
Your heart to me,
Your heart to me,
Your heart to me...

Open up your heart to me,
Your heart to me,
Your heart to me,
Your heart to me,
Your heart to me...

Open up your heart to me,
Your heart to me,
Your heart to me,
Your heart to me,
Your heart to me...

Open up your heart to me,
Your heart to me,
Your heart to me,
Your heart to me,
Your heart to me...
