Twinkle, twinkle, little star  
How I wonder what you are.  
Up above the world so high  
Like a diamond in the sky  
Twinkle, twinkle, little star  
How I wonder what you are!

When the blazing sun is gone,  
When he nothing shines upon,  
Then you show your little light,  
Twinkle, twinkle, all the night.  
Twinkle, twinkle, little star,  
How I wonder what you are!

Then the traveler in the dark  
Thanks you for your tiny spark;  
He could not see which way to go,  
If you did not twinkle so.  
Twinkle, twinkle, little star,  
How I wonder what you are!
