[ CHORUS ]

Yeah and it don't quit  
It goes on and on and no, it don't stop  
It goes on and on and no, it don't quit  
No, it don't stop, no, it don't stop

Loc, grab that mic and get busy

[ Loc ]

I gots the dank and the drink for you stank hoes  
Fat chronic sack for the bitches with the dick holes  
The drink, it be Tanqueray  
To make my niggas go (ho) and the bitches go (hey)  
Say fool, what the fuck is up?  
You gettin mad cause your bitch gave up them guts?  
I had this young tender, toucheth her toes  
As I stuck pipe deep in her hole  
Swoll', it was nice and warm in that cootie  
As I put a grip on that bodacious booty  
Ooh, the little miss had it goin on  
As I hit the boot to the break of dawn  
Out on the lone, wild on the phone  
In the fuckin grizzaz, the bitch was passin gas  
Bust me a nut, knee deep in the cheeks of her mouth  
That's how we do it in the south  
And it don't stop

[ CHORUS ]

[ Fesu ]

Step wrong so I can whip your monkey ass with this  
pistol, fool  
And stick dick to your bitch on the cool  
Can't be a player, Mister Rich  
Hungry-ass nigga, you ain't naythin but a bitch  
Loc, tell em bring it on (bring it on, fool)  
You can't flip no ki's, mister, livin in the [Name] Homes  
Come to the school of hard knocks  
Curls played out, mister, grow you some dreadlocks  
Show me what you're made of, man  
So i can plant your feet knee deep in the promised land

Now you know who's on top  
You know your boy Fesu is, nigga, and you know it  
don't stop

[ CHORUS ]

[ Loc ]  
When you see some real niggas, come correct, trick  
You need to bow down  
Fe, tell them hoes how a nigga clown

[ Fesu ]  
Yeah, Greenspoint niggas pack that fat dick  
For them hoes and shit, you know who you fuckin with  
If your man can't fulfill ya  
I'm straight out the Crossbow Motel bitch, I kill ya  
Had that pussy cold singin the blues  
And have your man sick, wanna be in a kid shoes  
Wanna know who's been in it  
Tell him Fesu laid that lick down and put that dick in it  
And this brother don't get got  
Because the shit don't quit, nigga, and you know it  
don't stop

[ CHORUS ]
