Climb aboard a butterfly
An' take off on the breeze
Let your worries flutter by
An' do the things you please

In a land where dollar bills
Are fallin' off the trees
On a dreamer's holiday

Every day for breakfast
There's a dish of scrambled stars
An' for lunchin' you'll be munchin'
Rainbow candy bars

You'll be livin' a la mode
On Jupiter and Mars
On a dreamer's holiday

Make it a long vacation
Time, there is plenty of
You need no reservation
Just bring along the one you love

Help yourself to happiness
An' sprinkle it with mirth
Close your eyes an' concentrate
An' dream for all you're worth

You will feel terrific
When you get back down to earth
From a dreamer's holiday

You, climb aboard a butterfly
An' take off on the breeze
Let your worries flutter by
An' do the things you please

In a land where dollar bills
Are fallin' off the trees
On a dreamer's holiday

Every day for breakfast

There's a dish of scrambled stars
And for lunchin' you'll be munchin'
Rainbow candy bars

You'll be livin' a la mode
On Jupiter and Mars
On a dreamer's holiday

Come on, we're gonna make
It a long vacation
Time, there is plenty of
You need no reservation
Just bring along the one you love

Help yourself to happiness
An' sprinkle it with mirth
Close your eyes an' concentrate
An' dream for all you're worth

You will feel terrific
When you get back down to earth
From a dreamer's holiday
