"A Hubba - Hubba - Hubba"

Visit "[A Hubba - Hubba - Hubba](#)" on MotoLyrics.com

It's always fair weather
When hep cats get together
And every time they meet
Here's the way you'll hear them greet
(Greet)

A hubba, hubba, hubba, hello dad
Well, a hubba, hubba, hubba, I just got back
Well, a hubba, hubba, hubba, let's shoot some breeze
Say, whatever happened to the Japanese

Hmm, a hubba, hubba, hubba, haven't you heard?
A hubba, hubba, hubba, slip me the word
I got it from a guy who was in the know
It was mighty smoky over Tokyo

A friend of mine in a B-29 dropped another load for
luck
As he flew away, he was heard to say
A hubba, hubba, hubba, yuk, yuk

Well, I gotta go fishin'
That's ok, we'll give you our permission and we'll say
A hubba, hubba, hubba, on your way
And I will dig you later in the USA

Ta dah dah dee dee dee ta dee dee
Ta dah dah hi hi hi tee dee dee

A hubba, hubba, hubba, I just got in
A hubba, hubba, hubba, well, give me some skin
Well, you're lookin' mighty purdy Miss Curly Locks
I'm the grand old girly of the bobby socks

Hmm, yuttata, yuttata, yuttaton, you talk big
Well, I'm the fresh tomato you can't dig
Let's have a heart to heart-a and you'll decide
I'm a chick what's really on the solid side

You knock me flat, you're the kind of a cat
Makes me wanta blow my top 'Till the end of time'
(Aah)

And if you feel that way, tell me what you say?
A hubba, hubba, hubba, muk, muk
Well, now you're really talkin', you're no square
You can't be from Weehawken
Hmm, hmm, Delaware

You got a line of jive that's really zoo
Well, I'll dig you later, baby, you're all root

You're the kind of cat, wears a sharp cravat
And you really know your stuff
If you feel that way, tell me what you say?
A hubba, hubba, hubba, ruff, ruff

A getta long a little mousy with the great big eyes
But if you're lookin' for a spousey why you're just my
size?
Mister, how you love to blubber with that knock out
squawk
Seems your lips are made of rubber every time you talk

Oh, no, no, no, hubba, hubba
Yes, yes, yes, hubba, hubba
Bop, bop, bop, hubba, hubba

A what you know?
(A what you know?)
A what you say
(A what you say)
I say I'll dig you later baby in the USA
