I'd love to rest my weary head on somebody's shoulder  
I hate to grow older all by myself

All by myself in the mornin'  
All by myself in the night  
I sit alone with a table and a chair  
So unhappy there, playin' solitaire

All by myself, I get lonely  
Watchin' the clock on the shelf  
I'd love to rest my weary head on somebody's shoulder  
I hate to grow older all by myself

All by myself, I get lonely  
Watchin' the clock on the shelf  
I'd love to rest my weary head on somebody's shoulder  
I hate to grow older all by myself
