

## Perry Como "Aubrey"

Visit "[Aubrey](#)" on [MotoLyrics.com](http://MotoLyrics.com)

And Aubrey was her name,  
And not so very ordinary girl, or name . . .  
But who's to blame,  
For a love that wouldn't bloom,  
For the hearts that never played in tune ?

Like a lovely melody,  
That everyone can sing,  
Take away the words that rhyme.  
It doesn't mean a thing . . . hmhhh

And Aubrey was her name,  
We tripped the light,  
And danced together to the moon,  
But where was June ?  
No, it never came around,  
If it did, it never made a sound . . .  
Maybe I was absent,  
Or was listening too fast,  
Catching all the words,  
But then, the meaning going past . . . hmhhh

Oh, how I miss the girl,  
And I'd go a thousand times around the world,  
Just to be,  
Closer to her, than to me.

And Aubrey was her name,  
I never knew her,  
But I loved her just the same,  
I loved her name . . .

Wish that I had found a way,  
And the reasons that would make her stay . . .  
I have learned to lead a life,  
Apart from all the rest,  
If I can't have the one I want.  
I'll go without the best . . . hmhhh

Oh, how I miss the girl,  
And I'd go a million times around the world,  
Just to say,

She had been mine for a day!
