The bird with feathers of blue is waiting for you
Back in your own backyard
You'll see your castle in Spain through your
windowpane
Back in your own backyard

Oh, you can go to the east, go to the west
But someday you'll come, weary at heart
Back where you started from
You'll find, your happiness lies right under your eyes
Back in your own backyard

The bird with feathers of blue is waiting for you
Back in your own backyard
You'll see your castle in Spain through your
windowpane
Back in your own backyard

Oh, you can go to the east, go to the west
But someday you'll come, weary at heart
Back where you started from
You'll find, your happiness lies right under your eyes
Back in your own backyard
