When they begin the beguine  
It brings back the sound of music so tender  
It brings back the night of tropical splendor  
It brings back a memory evergreen

I'm with you once more under the stars  
And down by the shore an orchestra's playin'  
Even the palms seem to be swayin'  
When they begin the beguine

To live it again is past all endeavor  
Except when that tune clutches my heart  
And there we are swearin' to love forever  
And promising never, never to part

What moments divine, what raptures serene  
'Til clouds came along to disperse the joys we had  
tasted  
Now, when I hear people curse the chance that was  
wasted  
I know but too well what they mean

So, don't let them begin the beguine  
Let the love that was once a fire remain an ember  
Let it sleep like the dead desire I only remember  
When they begin the beguine

Oh yes, let them begin the beguine, make them play  
'Til the stars that were there before return above you  
'Til you whisper to me once more, "Darling, I love you!"  
And we suddenly know what heaven we're in  
When they begin the beguine  
When they begin the beguine
