I'm just breezin' along with the breeze  
Trailing the rails, I'm a roamin' the seas  
Like the birdies that sing in the trees  
Pleasin' to live, livin' to please

The sky is the only roof I have over my head  
And when I'm weary, mother nature makes me a bed  
I'm just goin' along as I please  
Breezin' along with the breeze

The sky is the only roof I have over my head  
And when I'm weary, mother nature makes me a bed  
I'm just goin' along as I please  
Breezin' along with the breeze
