< instrumental drum roll with horns >

Bye bye, little girl, bye bye!
Bye bye, little girl, bye bye . . .
I want a love that's sweet an' good,
A little bit more than I get from wood,
Bye bye (bye, bye) little girl (bye, bye)
bye bye (bye, bye, bye, bye !)

Well you just can't be true to one,
An' I can't stand you bein' true to two!
I'll bet ya if you had three or four,
You'd be lookin' round for more an' more,
Bye bye (bye, bye) little girl (bye, bye)
bye bye (bye, bye, bye, bye !)

I think I'll catch the next train outta town,
Someday you'll want me around . . .
Well you'll wind up with a broken heart,
Think of me when the tear drops start,
Bye bye, little girl, bye bye!

Bye bye bye, little girl . . .
Bye bye, little girl, bye bye!
I want a love that's sweet an' good,
A little bit more than I get from wood,
Bye bye, little girl, bye bye!

Bye bye (bye, bye) little girl, bye bye!
Bye bye (bye, bye) little girl, bye bye!

Words and Music by Wayne P. Walker
and Don Schroeder
