It's always fair weather  
When hep cats get together  
And every time they meet  
Here's the way you'll hear them greet  
(Greet)  
A hubba-hubba-hubba, hello dad

Well a hubba-hubba-hubba, I just got back  
Well a hubba-hubba-hubba, let's shoot some breeze  
Say, whatever happened to the Japanese?  
Hmm a hubba-hubba-hubba, haven't you heard?  
A hubba-hubba-hubba, slip me the word

I got it from a guy who was in the kno'  
It was mighty smoky over Tokyo  
A friend of mine in a B-29 dropped another load for  
luck  
As he flew away, he was heard to say  
A hubba-hubba-hubba, yuk yuk

Well, I gotta go fishin'  
That's okay, we'll give you our permission and we'll say  
A hubba-hubba-hubba, on your way  
And I will dig you later in the USA  
Ta dah dah dee dee dee ta dee dee, ta dah dah hi hi hi  
tee dee dee

A hubba-hubba-hubba, I just got in  
A hubba-hubba-hubba, well give me some skin  
Well you're lookin' mighty purdy Miss Curly Locks  
I'm the grand old girly of the bobby socks

Hmm yuttata yuttata yuttaton, you talk big  
Well, I'm the fresh tomato you can't dig  
Let's have a heart to heart and you'll decide  
I'm a chick what's really on the solid side

You knock me flat, you're the kind of a cat  
Makes me wanta blow my top 'til the end of time

And if you feel that way, tell me what you say?  
A hubba-hubba-hubba, muk muk

Well now you're really talkin', you're no square  
You can't be from Weehawken, hmm hmm, Delaware

You got a line of jive that's really zoo  
Well I'll dig you later, baby you're all root

You're the kind of cat, wears a sharp cravat  
And you really know your stuff  
If you feel that way, tell me what you say?  
A hubba-hubba-hubba, ruff ruff

A getta long a little mousy with the great big eyes  
But if you're lookin' for a spousey  
Why you're just my size

Mister how you love to blubber  
With that knock out squawk  
Seems your lips are made of rubber  
Every time you talk

Oh no, no, no, hubba-hubba  
Yes, yes, yes, hubba-hubba  
Bop, bop, bop, hubba-hubba

A what you kno'  
(A what you kno')  
A what you say  
(A what you say)  
I say I'll dig you later baby in the USA
