Sweet dream baby  
Sweet dream baby  
Sweet dream baby  
How long must I dream?

Dream baby  
Got me dreamin' sweet dreams  
The whole day through

Dream baby  
Got me dreamin' sweet dreams  
Night time too

I'll love you an' dreamin' of you  
But that won't do

Dream baby,  
Make me stop a dreamin'  
You can make my dream come true

Sweet dream baby  
(Dream baby, sweet dream baby)  
Sweet dream baby  
(Dream baby, sweet dream baby)

Sweet dream baby  
(Dream baby, sweet dream baby)  
How long must I dream?  
How long must I dream?
