See the clouds floating by  
in the sky without notice  
whispering "I know you"  
and the tears in my eyes  
never dried from the inside  
what am I to do?

I am wanting to find a way  
I am needing an answer  
I am waiting to see the day  
when I'm not just a fancy dancer

Is there no place I can go  
is there not a friendly ear?  
I am wanting to say "I love you"  
wanting to say that I need you  
wanting to hear that you love me too!

< instrumental break >

Every day is just like the last one  
nothin's ever new  
and I know today will be like tomorrow  
nothin' I can do  
I am wanting to find a way  
I am needing an answer  
I am wanting to see the day  
when I'm not just a fancy dancer

Is there no place I can go  
is there not a friendly ear?  
I am wanting to say "I love you"  
wanting to say that I need you  
wanting to hear that you love me too!

I am wanting to find a way  
I am needing an answer  
I am wanting to see the day  
when I'm not just a fancy dancer

Is there no place I can go?

Words and Music by Harry Manfredini  
and John Briggs
