Fooled, maybe
I'm just being fooled
Maybe I'll be ridiculed
But I adore you

If I'm fooled
Then it's Heaven being fooled
For you taught a heart unschooled
To live just for you

Those who act cautious and wise
Never have stars in their eyes
If I'm in a fool's paradise
Keep me there for I don't care

If I'm fooled and
My mind is overruled
Still my heart has not been fooled
Cause I'll always love you

Those who act cautious and wise
Never have stars in their eyes
If I'm in a fool's paradise
Keep me there for I don't care

If I'm fooled and
My mind is overruled
Still my heart has not been fooled
Cause I'll always love you
