"Glad To Be Home"

(Welcome home!, Welcome home!,
Welcome home! Welcome home!)

I'm so glad to be home again
I promise never to roam again
it's oh so good to be home again,
I could cry, I'm so happy
I'm back where I had to be,
awfully glad to be home!

My heart suddenly mends again,
among my neighbours an' friends again,
as I start tyin' loose ends again
I could cry, I'm so happy
there's no need of askin' me, certainly you can see
just why I'm glad to be home!
Why I'm so glad to be home!

(Glad to have you home again! . . . have you home
again!
Hope you'll stay with us a while Sir!)

I'm so glad to be home again (He's so glad to be home
again)
I promise never to roam again (You promise never to
roam again)
it's oh so good to be home again (it's oh so good to be
)
I could cry (He could cry) I'm so happy (he's so happy
)
I'm back where I had to be,
awfully glad to be home (Sweet Home!)

My heart suddenly mends again,
among my neighbours an' friends again,
as I start tyin' loose ends again
I could cry, I'm so happy
there's no need for askin' me, certainly you can see
just why I'm glad to be home!

< instrumental break >

(I'm so glad you've been home again)
promise never to roam again
promise never to leave the land I love!
Glad to be home!
