( to lead a better life,  
I need my love to be here . . . )

Here . . . making each day of the year,  
Changing my life with a wave of her hand,  
Nobody can deny that there's something there . . .

There . . . running my hands through her hair,  
Both of us thinking how good it can be,  
Someone is speaking but she doesn't know he's there .  
..

I want her everywhere  
And if she's beside me I know I need never care  
But to love her is to meet her everywhere  
Knowing that love is to share  
Each one believing that love never dies  
Watching her eyes  
And hoping I'm always there . . .

< instrumental break >

. . . each one believing that love never dies  
Watching her eyes  
And hoping I'm always there . . .

. . . to be there, and everywhere,  
Here, there and everywhere!
