Here's to my lady, here's a toast to my lady
And all that my lady means to me
Like a hearth in the winter, a breeze in the summer
A spring to remember is she

Though the years may grow colder as people grow
older
It's shoulder to shoulder we'll be
But be it sunshine or shady, here's my love to my lady
I pray may she always love me

Though the years may grow colder as people grow
older
It's shoulder to shoulder we'll be
But be it sunshine or shady, here's my love to my lady
I pray may she always love me
